

# Certificate

## Amartya Kaviraj

successfully participated in the course

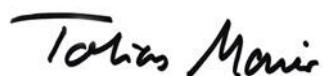

### Presentation and Media Skills

of the National Institute of Science Communication (NaWik gGmbH).

The two-day seminar was completed on 04th of May, 2024.

The seminar covered the basics of professional science communication and prepared the participants for media encounters and stage presentations. Participants learned in interactive exercises how to benefit from actively communicating science and methods to engage the audience as well as how to interact with media professionals.

Karlsruhe, 04th of May, 2024
