- **Languages:** English (Native/Bilingual), Hindi (Full Professional), Bengali (Native), German (Limited Working/B2).
- **IT Tools:** Microsoft Office (Word, Excel, PowerPoint), Notion, Trello, Slack, Google G suite.

WORK EXPERIENCE

Junior Sales Assistant (Working Student) | April 2025 - Present

Zalando | Bielefeld, Germany

- Execute critical retail logistics and inventory control functions to support commercial success and operational efficiency.
- Optimize store processes by identifying bottlenecks in merchandise flow and collaborating with sales teams to align operations with real-time trends.
- Maintain inventory integrity by analysing stock flow data to forecast replenishment needs and streamline reverse logistics.

Research Assistant (Social Media & Marketing) | April 2024 - July 2024

OWL University of Applied Sciences and Arts | Lemgo, Germany

- Served as the official social media brand ambassador to promote the university to international audiences.

- Created engaging content highlighting university experience and opportunities at TH OWL, garnering over 26,000 views in 3 months across all platforms.
- Managed communication with multiple stakeholders—including faculty, international student groups, and external partners—to design and execute campaign strategies that increased international student engagement by 35% over three months

Project Management Associate | Oct 2021 – Sep 2022

Dunzo. Bangalore, India

- Directed cross-functional operations by acting as the primary liaison between Product, Strategy, and City teams to optimize inventory accuracy and resolve technical bottlenecks.
- Optimized operational efficiency by monitoring real-time performance via SQL and Metabase, maintaining a 95%+ service-level consistency through data-backed interventions.
- Spearheaded pilot projects that reduced process-level delays by 15% through meticulous workflow analysis and the implementation of streamlined partner-integration frameworks.

Marketing and Business Development Intern | Aug 2020 – Mar 2021

Myntra. Bangalore, India

- Monitored category KPIs and ROI using Excel dashboards to identify growth opportunities and optimize sell-through rates during high-traffic peak events.
- Streamlined brand onboarding and inventory management processes, reducing operational turnaround times by 20–30% through automated tracking alerts.
- Executed influencer collaborations and brand partnerships, coordinating cross-functional visibility plans to drive platform engagement and revenue growth.
